

Event Report

Science Expo for First-Year Students

Date: 28th October 2024

Time: 3:00 PM – 4:30 PM

Venue: LBCH

The Mechanical Engineering Association (CIT) organized a **Science Expo** event for first-year students on the 28th of October 2024. The event aimed to provide a platform for students to showcase their creativity and innovation through small projects and prototypes.

Event Highlights:

- **Participants:** Approximately 60 students actively participated in the event.
- **Activity:**
 - Students presented their prototypes and projects, which demonstrated their engineering skills and innovative ideas.
 - Each team comprised four members.
 - The projects were evaluated by a panel, and the top three teams were recognized and awarded medals for their outstanding efforts.

Outcomes:

- The event fostered a spirit of innovation among the first-year students, encouraging them to apply theoretical knowledge to practical scenarios.
- It provided an opportunity for students to gain exposure to project development and presentation skills.

The **Science Expo** was a resounding success, with enthusiastic participation and positive feedback from the students.
